# AirBoss C4 CBRN Gas Mask

The AirBoss C4 Gas Mask is a trusted air-purifying respirator choice for protection by military, police, and first responders worldwide. The butyl rubber is tested in the harshest conditions and is proven to protect users against chemical warfare agents (CWA), toxic industrial chemicals (TIC), and biological agents. With an optimal balance of performance and comfort, it has been a mask of choice for over a decade, and it's still going strong.

### Comfortable and secure fit

A breathable mesh head harness for easy long-duration wear with head gear, and two points of adjustment for fast donning and doffing.

### Interchangeable filters

EN 148-1 40mm NATO filter threads for use with any AirBoss filter. Can be used on either left or right side for clear view with weapon sights.

### Operation-driven optics

Shatterproof, replaceable, polycarbonate lenses for superior operational performance and protection.

### Protection

24-hour defense against chemical warfare agents (CWA), toxic industrial chemicals (TIC), and biological agents.

### Audible speech transmission

Front and side speech transmitters, and usable with the voice projection unit (VPU) for clear, audible speech.

### Safe hydration

Useable with CBRN canteens and CamelBaks for safe hydration when needed most.
